

Populism bingo card

Shifting attention from actions to feelings	Blaming the "dissidents"	Made-up numbers	The people have shared values	Glorifying the past
A certain group is not part of "the people"	"The people know that..."	Mention of basic values	Leader doing physical work	War metaphors
"Other [leaders] are alienated from the people"	Difficult issue brushed aside with a joke	Fearmongering	"My children..."	Oversimplifying a complex issue
Generalisation based on an individual case	Shifting attention to irrelevant matters	Opposing the elite	"The people want..."	Sports metaphors
Us against them	"Cool" hand signs	The true people have a unified culture	"There are no options"	Nostalgic notions of nationality
